Explanations	

The collective bargaining negotiations between our company and the United Metal Workers Union at our Gebze Panel Production Facility, **were concluded with an agreement on February 12, 2026.**

With this agreement, **the strike that began on October 22, 2025, at the facility has ended,** and production activities have resumed. Necessary planning to ensure operational continuity has been completed, and our production and shipment schedules are returning to their normal timetable.

We thank all parties who contributed to the process of mutual understanding and constructive dialogue.

We continue to work together for a stronger, more efficient, and sustainable future.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
