Explanations	

Our company, Smart Solar Energy Technologies R&D Production Industry and Trade Inc., has completed the sale of TOPCON solar cells (solar panel raw materials) to a domestic energy company for a total of **US$ 5,581,810 excluding VAT.**

This is a raw material sale transaction carried out by our company, which produces domestic solar panels, cells, and wafers in its own facilities, for use by other companies besides its own solar panels.

Our company will increase and develop its BOM (other materials) sales activity used in solar cell and panel production and aims for additional turnover and profit as a manufacturer selling to meet the needs of the sector in our country and worldwide.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
