Explanations	

In our statement dated 28.09.2023; It was stated that we were notified of the decision to go on strike as of 6.10.2023 by the United Metal Workers Union in our Gebze Production Facility, but negotiations with the Union continue.

The ongoing Collective Labor Agreement negotiations with the United Metal Workers Union regarding our Gebze Production Facility have resulted in a compromise as of 02.10.2023, and production will continue without interruption in our Gebze Facility.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
