

## **CORPORATE SOCIAL RESPONSIBILITY POLICY**

As Smart Güneş Enerjisi Teknolojileri Araştırma Geliştirme Üretim Sanayi ve Ticaret A.Ş. ("Company"), we take active responsibility in protecting and supporting the environment in all our activities, while investing in the future in order to raise awareness of the society on sustainability. As a company, we take a proactive and collaborative role to create value for all our stakeholders through our social responsibility activities. Within the framework of our Corporate Social Responsibility Policy;

- we contribute to social development and the protection of nature by transforming our corporate social responsibility understanding into corporate culture.
- We do not allow discrimination within or outside the institution due to language, religion, race, sect, color, gender, political opinion, age, physical disability and similar reasons.
- We develop projects that have continuity and whose impact can be measured, by establishing good relations with the people of the nearby region who may be affected by our activities.
- We support social projects that increase the health, education and social welfare of disadvantaged groups such as women, children, youth and the disabled.
- We take care to actively participate in national and international initiatives and organizations that support behaviors and commitments related to corporate social responsibility.
- We care about developing social responsibility projects to protect and improve the ecosystem and cultural heritage in our fields of activity.
- We focus on developing quality education and learning opportunities for young people and future generations and supporting projects within this scope.
- We adopt to conduct social responsibility projects that support innovative ideas with educational institutions such as high schools and universities.
- We support both our internal and external stakeholders to volunteer for social and social activities in line with our Company's corporate approach.
- We create clear mechanisms to respond to the suggestions, opinions and/or complaints of all our stakeholders regarding our projects and make the communication channels functional through which they can deliver their feedback.

This Corporate Social Responsibility Policy was adopted and put into practice with the Board of Directors Decision No. **2022/46** dated **23/11/2022**. The policy is regularly reviewed and updated when deemed necessary.
